GRANTS FOR **Libraries**

Discover the confidence and knowledge you need to get library grants. Learn who gives funding, the easiest method for writing grant proposals, and real-life library grant success stories. You will learn an easy-to-follow grant process cycle. Tip sheets, valuable worksheets, and resource lists are provided. Anyone who seeks or uses grant funding will find invaluable and practical guidance.

Participants will:

- Understand the basic process of grant work;
- Know the importance of developing a grant project based on community's needs and their library's plan;
- Know the kinds of grants available and where to locate grant opportunities;
- Be excited about developing a grant proposal
